

Principal's Comment

Thank you very much for looking at our website. I have tried to include enough information to give you a clear picture of the school, including our philosophy, aims and curriculum, but without making it too unwieldy. I feel it is important to be well-informed, but realise that choosing a pre-school setting for your child is a very personal decision. Nothing quite matches seeing a school in action – and meeting the people involved.

I am always delighted to meet parents and carers who want to find out more about Elmwood – and invite you to arrange a visit to the school. Visits are usually on Tuesday mornings at 9.30 am and last about 45 minutes. During this time, I can answer any questions you may have, show you the school, and you will have the opportunity to observe us in action. I also give out Registration Forms at this point.

If possible, do register your child as early as you can, as waiting lists can become very long. However, there are sometimes last-minute spaces because people have moved or made other plans, so do contact me about an older child as well (up to five years old), if appropriate. We are happy to have any child, whatever their needs or personality! And we hope they will be happy with us.

I look forward to hearing from you. My contact telephone number is 020 8995 2621. Please let me know if you would like to visit the school or receive further printed information (or both). Many thanks.

Sarah Herbert
